Step - 4

If you are Happy with the Trade-in value shown in our Cost Estimation Tool?

Kindly **enter your email id**, and Click "**Submit details**"

A screenshot of a web form for a trade-in tool. The form has a light yellow background and is divided into several sections. At the top, it displays "Approx. Trade in value" and "Total: NZD \$ 270.00". Below this is a "Previous page" button. The main section contains a text input field with the placeholder "Enter your email here" and an asterisk below it. At the bottom, there is a checkbox with the text "If you agree with our trade in value, kindly enter your email id and we will get ba" (partially cut off). Below the checkbox is a "Submit details" button, which is being clicked by a mouse cursor. A green arrow points from the "Submit details" button up to the text "Click 'Submit details'" in the instruction above.

How to use our Trade-in Cost Estimation Tool?

Step - 5

Once details are submitted, we will get back to you and discuss about pick-up of your trade-in device.

Step - 6

Once we receive your device, our technical services team verifies the condition of the device with the details submitted by you.

Step - 7

If the actual device condition matches with the details being filled in the form, you receive a coupon code worth that value at your email id.
